COVID-19 Prevention, Protocols and Immunization Status

Remember to follow current COVID-19 protocols, bring a mask, and be prepared to sign in on-site for contact tracing purposes.

The health and safety of our members and staff is a priority. The ongoing pandemic requires us to collectively work together to ensure that everyone attending this BBQ, as well as their families and loved ones, are kept safe.

The National Union has adopted a policy requiring proof of immunization at Unifor events. We are asking that everyone in attendance be fully vaccinated with two doses.

No proof of vaccination is required at this time, but we request that participants adhere to this protocol for the health and safety of everyone on site.

Prior to arriving on site, please fill out the pre-screening questionnaire:

[Unifor COVID-19 Pre-Screening Questions](#)

If you answer "yes" to any questions, or are feeling ill in any way, please do not come to the BBQ.

If you have any questions regarding the picket line, please contact Barry.Lines@unifor.org

The ORC hopes to see you this Thursday on the picket line!

In solidarity,

Naureen Rizvi
