Nearly 6,000 Bell members
**UNITED
TOGETHER**

Greetings!

As you know the Bargaining Committee have completed 4 weeks of Intense Bargaining with more to come.

We have recently asked the Membership to get involved by, wearing Unifor swag or something red and taking a selfie with the post cards we mailed to you.

Why Are We Asking This?

As a show of Solidarity and to show the company that we are united and deserve a decent Collective Agreement, to include, working from home and substantial wage increases to keep up with the cost of living.

We also have a Mobilization Committee within the Local who will be reaching out to with Solidarity ideas and next steps, if Bargaining does not go as planned.

What we need from you is cell phone numbers that we can instantly text or call you with more important updates as directed from the Bargaining Committee.

**Simply send your Cellphone numbers to:
UNIFOR6008@UNIFOR6008.COM**
