

March 20th, 2022

Dear Local 6008 Member,

The Bell Clerical Bargaining Team is in the midst of negotiations with Bell for our next Collective Agreement. In order to support the bargaining committee efforts to achieve the best deal for all of the members, your solidarity and action is requested. The company needs to see that the unit is united behind the committee and united behind the demands for better pay and improved working conditions.

Enclosed is a postcard with the slogan “Our Bell, Our Jobs.”

We are asking you to take a selfie with the postcard and send it by text to 416-948-0539 or by email to bargainingcommittee@unifor6008.com

The pictures will be compiled together with all of the other locals across Ontario and Quebec and posted to the local and national social media feeds as a show of solidarity.

The more engaged we are as members the stronger the message we send to the company and ultimately this results in the ability to bargain a stronger and better collective agreement.

Please be as creative as you like with the photo you take, wear red if possible, and don't hesitate to send more than one if you wish!

In Solidarity,

Dave Bosveld,
Ontario Mobilization Lead
