New Local Business

Debra Howard communicated that the control centre has many grievances being presented on 560's doing 202 work.

Simone Sladkowski communicated that BBM and Network have several grievances on the go as well for Remote Workway policy.

Simone Sladkowski has many that will be presented now to Step 3. Jodi Bradshaw asked who usually presents this if it is the Chief Steward? William Reid confirmed that it may be, however Simone Sladkowski as the Vice-President typically presents at Step 3 (same as what Bobby Pearsall used to do). Previously it was the National Rep, but we have an agreement for our Local to present our own Step Three Grievances.

Simone Sladkowski confirmed that there were Three profiles reviews recently. One was maintained with the current profile. Two others resulted in a downgrade of waveband.

William Reid indicated that we will be hosting more mobilization meetings in the near future. One of the up-coming meetings in the near future will be a financial adviser to discuss options in events of a Strike.

Michelle Vatafu - wants to engage the By-Law committee to make changes to the Retirement Gifts at the rate of \$200 per member. It was communicated that we had approximately 150 members who took the recent VSP. That would be a hit to our finances for \$30,000.00. The union already works extremely hard to squeeze every penny from Bell to ensure that the best VSP is offered. This exceeds what the Local Retirement gift would provide.

Michelle Vatafu spun the wheel and Donna won the Frigidaire Electric Retro Smoothie Maker. Michelle Vatafu asked Donna to send an email to unifor6008@unifor6008.com with her full name, Bell Employee code and her current mailing address.
