

Dear Members,

We're excited to launch the 2025 Bell Clerical Bargaining campaign: **Together We Stand.**

This round of bargaining is one of the most critical we've faced in years. With ongoing job losses, increased surpluses, and VSPs affecting our members, it's clear: the future of our work is on the line. That's why mobilizing, standing together, and showing our collective strength has never been more important.

Together We Stand isn't just a slogan; it's a call to action.

Over the coming weeks and months, you'll receive regular updates on bargaining progress, as well as ways to get involved and show your support. We're calling on all members to stay connected, speak up, and stand strong.

Help us spread the word!

We've created a campaign graphic that you can proudly share on your social media.

Use the sample posts below or write your own message of support:

Together We Stand.

The Bell Clerical bargaining slogan is about standing together to secure a fair deal – for us and for our future.

Stay tuned for what's next! #TogetherWeStand #Unifor #Solidarity
