

TOGETHER WE STAND

STAY INFORMED, STAY EMPOWERED

Dear Members,

As we gear up for bargaining, we want to ensure you have the tools to feel confident and informed throughout the process.

To start, we've created a new video about the basics of collective bargaining. It's the first in a series of educational content we'll be sharing – including infographics and online modules – to help you stay informed every step of the way.

We are in this together, and staying connected is critical. Please take a moment to [update your contact information](#). It's the best way to ensure you get timely updates on bargaining, contract votes, and other important news.
