ARTICLE 8
TIME ALLOWANCE

8.01 The Company agrees that:

- (a) An employee who has, or believes she has a grievance may confer with her Representative or with management during her scheduled working hours, without deduction of the time so occupied in the computation of the time worked for the Company, and without deduction of wages in respect thereof; provided, however, that each employee must arrange with her immediate manager, subject to service requirements, for all time off the job required for the above purposes.
- (b) A Representative may discuss a grievance with a grievor or with management, or attend meetings with representatives of the Company on behalf of the Union, during her scheduled working hours, without deduction of the time so occupied in the computation of the time worked for the Company, and without deduction of wages in respect thereof; provided, however, that the Representative must arrange with her immediate manager, subject to service requirements, for all time off the job required for the above purposes.

8.02 (a) A Local Representative of the Union may attend pre-bargaining meetings held by the Union to prepare for bargaining with the Company, without deduction of the time so occupied in the computation of the time worked for the Company, and without deduction of wages in respect thereof, up to a maximum of five (5) days from her regularly scheduled tours of duty, provided that the Company is given the name of the Local Representative at least two (2) weeks before the date the time off is to begin.

(b) It is agreed that the total of all such pre-bargaining time off for all Local Representatives calculated together shall not exceed 270 days.

8.03 An authorized bargaining Representative of the Union may have time off from work during her scheduled working hours for purposes of bargaining, without deduction of the time so occupied in the computation of the time worked for the Company, and without deduction of wages in respect thereof; provided that such time is actually devoted to collective bargaining with management, but only until the expiry date of this Collective Agreement, or the date that conciliation assistance is requested, whichever is later.

8.04 (a) Representatives may, without deduction of the time so occupied in the computation of the time worked for the Company, attend to other business of the Union during scheduled working hours, provided that each Representative must arrange with her immediate manager, subject to service requirements, for all time off the job, not to exceed 30 consecutive calendar days, required for the above purpose and providing such business is concerned with the bargaining unit covered by this Agreement. It is agreed the Union Representative has a legal obligation to provide proper representation, and time off for Union business will not unreasonably be withheld. Both the Union and the Company agree that the granting and use of time off the job will not be abused. All time off so required will be granted as time off without pay; however

(b) The Company will pay the Representative, on behalf of the Union, at her basic rate of pay for all time off without pay to attend to other business of the Union. Any amount so paid by the Company will be billed to the Union, which shall remit that amount to the Company within 30 days of receipt of the bill;

(c) Requests for time off without pay to attend to other business of the Union, in excess of five (5) days, must be submitted to the Representative's immediate manager at least 21 days prior to the date requested for the commencement of the time off without pay.

ARTICLE 10 BARGAINING PROCEDURE

10.01 All negotiations with a view to the completion of a collective agreement or to effecting changes or modifications in this Agreement shall be conducted between the authorized bargaining Representatives of the Union on the one hand and the designated bargaining Representatives of the Company on the other.

10.02 No agreement resulting from collective bargaining as herein provided shall be deemed to have been concluded until it is reduced to writing and signed by the authorized bargaining Representatives of the Union and by the designated bargaining Representatives of the Company, and an agreement so signed shall take effect as and from the effective date specified therein.

ARTICLE 11 EXPENSES

11.01 Each party shall bear the expenses incurred by its own representatives in attending meetings or proceedings contemplated by this Agreement, and all joint expenses incurred in respect of such meetings and proceedings shall be borne by the parties in equal shares.

The Company agrees that any exercise of these rights and powers shall not contravene the provisions of this Agreement.

ARTICLE 13
HEALTH AND SAFETY

13.01 Both parties to this Agreement acknowledge their common concern for maintaining a healthy and safe working environment.

13.02 The Company accepts the responsibility of making adequate and reasonable provisions for the health and safety of employees during their working hours. The Company will welcome suggestions by the Union regarding the health and safety of employees.

13.03 It is the employee's responsibility, subject to Company regulations and practices, to take all reasonable and necessary measures to ensure her safety; no employee is required to work in dangerous conditions or to use dangerous equipment.

Health and Safety Committees

13.04 (a) The Corporate Health and Safety Committee is composed of two (2) employees from the bargaining unit: one (1) employee from the Quebec region and one (1) employee from the Ontario region, as well as one (1) national Union representative and three (3) Company representatives.

14.01 An employee who has completed six (6) consecutive months of continuous employment with the Company shall be granted child care or adoption leave, without pay, under the conditions of eligibility set forth in the applicable Company practices currently in effect, or as amended from time to time following consultation with the Union.

14.02 In addition, a Regular employee who has completed six (6) consecutive months of continuous employment with the Company and who meets the conditions of eligibility contained in the applicable Company practices, shall receive an allowance under the Supplemental Allowance Plan in accordance with these same practices.

ARTICLE 15 DISCIPLINE

15.01 No employee shall be given a written reprimand or a written warning, be suspended, dismissed or demoted for disciplinary reasons except for just cause.

15.02 All disciplinary measures referred to in Section 15.01, shall be removed from an employee's record no later than two (2) years, after they have been imposed.

15.03 Notwithstanding Section 15.01, the Company retains the right to terminate the employment of a probationary employee who is found by the Company to be unsuitable.

ARTICLE 16 GRIEVANCES

16.01 (a) The parties to this Agreement are committed to promptly resolving any differences between the Union and the employees it represents and the immediate manager. The parties agree that the employee's Representative, or a Representative designated by the Union, and the manager of the employee should try to resolve the differences prior to a grievance being filed in accordance with the provisions of this Article. The employee concerned may attend this meeting, if she so desires.

(b) Grievances of an individual employee or groups of employees shall be handled by the Union at the request of the employee or employees, and shall be processed in accordance with Sections 16.03 to 16.15 inclusive. Each grievance shall be presented to the Company within 42 calendar days from the occurrence on which such grievance is based.

ABSENCES DUE TO FAMILY OR PERSONAL EMERGENCIES
MEMORANDUM OF AGREEMENT BETWEEN
BELL CANADA
AND
UNIFOR
REPRESENTING CLERICAL AND ASSOCIATED EMPLOYEES

This is to confirm our understanding reached during bargaining for the renewal of the Clerical and Associated Employees' Collective Agreement.

The Company and the Union recognize that employees have family and personal obligations and that emergencies that are unpredictable and beyond their control could lead to unpaid absences from work :

- home conditions (for example: flood, fire);
- personal emergencies (for example: car accident, theft or burglary)
- family emergencies (for example: sickness of a child or parent, school or daycare closure);
- medical or dental appointments that cannot be scheduled outside of working hours;
- interruption or failure of public transportation;
- road closure due to a major accident.

The Union recognizes that it is the employees' responsibility to find alternatives so as to avoid absences from work and to take the necessary measures in order to return to work as soon as possible.

The Union recognizes that local management has the right to inquire as to the reason of the absence and to request, in certain cases when it deems it necessary, that the employee provide justification.

Where the criteria set forth in this Memorandum of Agreement are met, the Company confirms that local management should authorize an absence for family or personal emergency.

It is also understood that, in order to minimize the financial impact on the employee, and depending on the circumstances, local management may authorize the employee to use paid time owing.

The parties also agree that any differences concerning this Memorandum of Agreement may be brought to the Joint Labour Relations Committee for discussion.

Signed this 22nd day of April 2026.

MEMORANDUM OF AGREEMENT BETWEEN
BELL CANADA
AND
UNIFOR
REPRESENTING CLERICAL AND ASSOCIATED EMPLOYEES

This is to confirm our agreement with respect to the averaging of maximum hours of work for Clerical and Associated Employees.

The provisions related to Hours of Work and Overtime shall be those contained in the Collective Agreement currently in force between the parties, except where such conditions are governed by the Provisions of this Memorandum of Agreement.

The averaging of maximum hours of work outlined in this Agreement applies to all the Company's industrial establishments or premises and to all employees covered by this Collective Agreement, notwithstanding their work location.

The averaging of maximum hours of work outlined in this Agreement will allow the Company to ensure optimal allocation of resources to effectively respond to unforeseen, as well as regular fluctuations in workload, thus allowing the Company to best meet its operations and business requirements as well as customers' and employees' needs.

The parties agree that the averaging of maximum hours of work will be based on a 13 week period. The maximum hours of work of an employee shall not exceed 624 hours over a 13 week period.

In circumstances other than those described above, the relevant provisions of the Canada Labour Code continue to apply.

BELL WORKWAYS PROGRAM
MEMORANDUM OF AGREEMENT BETWEEN
BELL CANADA
AND
UNIFOR
REPRESENTING CLERICAL AND ASSOCIATED EMPLOYEES

In the context of the pandemic, Bell Canada introduced the Bell Workways Policy which is designed to provide employees with the opportunity to more effectively manage work, family and other life commitments by providing alternative approaches to where and when work gets done, while ensuring we continue to meet Bell's business objectives and deliver strong results.

As a result of the Bell Workways Policy, each employee has been assigned a Bell Workways Profile based on their role, which is either Remote, Mobile or Full-Time in office.

Regardless of an employee's workways profile, all provisions of the Collective Agreement continue to apply. As per section 6.01 of the collective agreement, the bi-monthly employees' list provided to the Union will now include the employees' Workways profile.

Participation in a Remote or Mobile profile under the Bell Workways Policy is voluntary for employees.

For employees on Remote and Mobile profiles, any incremental requirement to report to the office, beyond what is outlined in the current Bell Workways Policy, must be supported by an objective justification related to the duties of the position and communicated transparently with advanced notice. These justifications include, but are not limited to:

- in-class training sessions;
- in-person meetings;
- other tasks that cannot be performed remotely.

General

Any reference to the Bell Workways Policy in this MOA does not have the effect of incorporating the Policy in the Collective Agreement. However, the employees will be allowed to file grievances if the company acted arbitrarily, in a discriminatory manner or in bad faith in applying the Bell Workways policy.

All individual situations that are not covered by this MOA will be addressed by either parties at a local level.

Any disagreement on the terms of this Memorandum of Agreement may be brought to the Joint Labour Relations Committee for discussion.

Bell commits to maintain the Bell Workways Policy, in effect on **December 15, 2025**, as is for clerical employees for the duration of this Collective Agreement. For further clarity, an employee who respects the terms of the Bell Workways policy will remain on her Bell Workways profile for the duration of this collective agreement. This MOA will expire at the end of this collective agreement, which expires on November 30, 2029.

Signed this 22nd day of April 2026.

COMMITTEE ON ARTIFICIAL INTELLIGENCE
MEMORANDUM OF AGREEMENT BETWEEN
BELL CANADA
AND
UNIFOR
REPRESENTING CLERICAL AND ASSOCIATED EMPLOYEES

This Memorandum confirms the agreement reached and takes into account discussions that took place during negotiations for the renewal of the Clerical and Associated Employees' Collective Agreement.

Joint Committee

The parties agree to establish a joint committee on artificial intelligence, composed of two (2) Union representatives and two (2) Company representatives. This advisory committee will be responsible for reviewing and discussing the introduction, use and impacts of artificial intelligence that affect the employees.

The purpose of the committee is to ensure that the Union is transparently informed of initiatives related to artificial intelligence impacting the employees of the bargaining unit.

The committee will meet virtually once a quarter, approximately one month prior to the Joint Labour Relations Committee meeting. Both parties will submit topics of discussion in advance of the meetings. The agenda and the duration of each meeting shall be determined by a National Representative of the Union and the Director – Labour Relations or their delegates based on the initiatives that need to be discussed. This committee can meet more frequently if agreed upon by both parties.

Roles of the Committee

In addition to the above, the committee's roles will be to:

- a) Review and discuss the direct or indirect impacts that the artificial intelligence have on employees;
- b) Follow up on initiatives discussed in previous meetings and on their progress;
- c) Discuss potential training and/or redeployment opportunities for impacted employees.

General

For clarity, discussions and recommendations made by the Committee members do not replace the parties' obligations in terms of notification and participation set out in Section 19 and the Memorandum of Agreement on the Workforce Adjustment Plan of this Agreement.

The Joint Labour Relations Committee will act as a forum to discuss improvements that could be made to the committee's structure and roles.

MEMORANDUM OF AGREEMENT BETWEEN
BELL CANADA
AND
UNIFOR
REPRESENTING CLERICAL AND ASSOCIATED EMPLOYEES

This is to confirm our agreement with respect to the implementation of compressed work week schedules and related averaging of hours of work for Full-time employees covered by the Clerical and Associated Employees' Collective Agreement.

Subject to the Company's right to discontinue the compressed work week schedule and related averaging of hours of work, this Memorandum of Agreement will come into effect on January 22, 2026 and will remain in force during the term of the Collective Agreement.

This Memorandum will apply to all Bell Canada's industrial establishments or premises where Full-time employees exercise their occupations as per Appendix B of the Collective Agreement.

Approval

Approval to implement a compressed work week schedule in any part of the Company's operations may be granted by local management in accordance with departmental directives based on business requirements and customers' needs. It is understood that the compressed work week must provide advantages and benefits to the Company and the employees for it to be implemented and maintained in a group. Employee participation is voluntary.

Compressed Work Week Schedule and Number of Weeks in Averaging Period

Where approval to implement a compressed work week schedule has been granted, each district, section or natural working team shall agree to one schedule for implementation involving all participating employees in the group. The group will develop whatever compressed work week schedule that best suits their needs subject to the following:

- a) an averaging period of two (2) weeks totalling 75 hours; or

Implementation of compressed work week schedules and related averaging of hours of work allow the Company to ensure optimal allocation of resources to effectively respond to unforeseen, as well as regular fluctuations in customer demands.

The number of weeks in the averaging periods for the purpose of the compressed work week as described above are used because they best meet the Company's operations, business requirements and customers' needs as well as employees' needs.

Working Conditions

The working conditions applicable to employees working a compressed work week shall be those contained in the Collective Agreement currently in force between the parties, except where such conditions are governed by the provisions of this Memorandum of Agreement. It is understood that the day(s) off within the two-week (2) or four-week (4) period can be scheduled any day of the week, with due consideration to force to load and to business requirements.

Duration

The duration of a compressed work week schedule shall be determined by mutual agreement between the parties.

Right to Discontinue

The Company, at its discretion and at any time, may discontinue any compressed work week schedule implemented under the terms of this Memorandum of Agreement. Prior to discontinuing the compressed work week, the Local President will be advised of the reasons of the decision by the CP4 manager.

VOLUNTARY PROGRAMS OF REDUCED HOURS
MEMORANDUM OF AGREEMENT BETWEEN
BELL CANADA
AND
UNIFOR
REPRESENTING CLERICAL AND ASSOCIATED EMPLOYEES

The parties agree that, where a Voluntary Program of Reduced Hours exists, an employee classified as Regular Full-time may, subject to the conditions expressed in this Agreement and to the conditions set forth in any applicable Company practice, elect to be reclassified as a Regular Part-time employee for a period of time agreed to by the employee and her manager, with a guarantee of reclassification to her Regular Full-time classification following the expiration of the agreed period.

Implementation of a Program

Whenever it is appropriate, in the judgment of the Company, to implement a Voluntary Program of Reduced Hours, the appropriate CP4 manager or the next higher level of management, as the case may be, will, following notification to the Union, circulate to the groups concerned within his District, a notice advising of the Program's availability and requesting that eligible employees who are interested in being reclassified submit their request within a specified time period.

An eligible employee who elects to be voluntarily reclassified shall reach an understanding with her immediate manager regarding the duration, location, work assignment and conditions applicable to such reclassification to a Part-time position. Notwithstanding the possibility that under such a Program the Part-time position offered to the employee may be in another District, the responsibility for administration of the Program remains with the originating District. Once the manager and the employee have come to an understanding, the terms and conditions of such shall be confirmed to the employee in writing and a copy shall be given to the Representative of the Union. Where applicable, additional copies of this understanding will also be provided to the manager and the Representative of the Union in the receiving District.

Short-term or Long-term Options

An employee's participation in a Voluntary Program of Reduced Hours shall be for the period of time set forth in the applicable Program. However, where an employee has been declared surplus, her participation in the Program shall end coincident with her placement.

A Program may include Short-term or Long-term options, or a combination of the two.

Opting in or opting out of a Program shall only be by mutual consent. Where the employee has been placed in another District, both the sending and receiving managers must provide their consent.

The selection of employees will be in order of an employee's net credited service date.

Short-term Option

The Short-term Option is for a period of not less than one (1) month but not to exceed a maximum duration of 12 months.

At the expiration of the agreed period, the employee participating in a Program shall be reclassified to her previous Regular Full-time classification.

Long-term Option

The Long-term Option is for a period exceeding 12 months.

The reclassified employee may, every year, during the period of this option, request in writing to be reclassified to her previous Regular Full-time classification. Such request shall be made on the anniversary date of the employee's reclassification.

The Company shall have up to six (6) months to honour the employee's request.

Salary and Working Conditions

An employee who is reclassified as a result of a Voluntary Program of Reduced Hours will be paid as a Regular Part-time employee and will be subject to the working conditions normally provided to the Regular Part-time employees, with the exception of those conditions that were covered in the written confirmation to the employee. In addition, where an employee changes work location due to her participation in a Program, the provisions of Article 31 shall not apply.

Prior to being reclassified to a Regular Part-time status, an employee should take her Personal Days Off with Pay in accordance with Section 27.04. The number of days that she is entitled to shall be established on a pro rata basis for the portion of time she has worked as a Full-time employee.

General

Use in this Memorandum of Agreement of the feminine or masculine gender shall be construed as including both female and male employees, and not as specific sex designations.

The parties agree that any differences, regarding the interpretation or administration of this Agreement shall be processed in accordance with Sections 16.03, 16.04 and Subsection 16.05 (b) of the grievance procedure contained in the Collective Agreement. The written statement of position provided by the CP5 manager, or equivalent, under Subsection 16.05 (b) shall constitute a final and binding settlement of the matter.

This Agreement shall remain in full force and effect during the term of the Collective Agreement.

WORKFORCE ADJUSTMENT PLAN
MEMORANDUM OF AGREEMENT BETWEEN
BELL CANADA
AND
UNIFOR
REPRESENTING CLERICAL AND ASSOCIATED EMPLOYEES

This is to confirm our agreement, and reflects the discussions which were held concerning the force adjustment and lay-off provisions found in the Collective Agreement, with respect to the process to be implemented for dealing with workforce issues during the term of the Collective Agreement.

This Workforce Adjustment Plan is a tool to be used when there is a need for a reduction of staff levels to meet the challenges of an increasingly competitive marketplace. In order to respond to the impact of workforce adjustment, a process that involves the participation of the Union and provides for the fair and equitable treatment of surplus employees has been agreed to by the parties.

Key features of the Workforce Adjustment Plan include:

Involvement of the Union

The involvement of the Union in the Workforce Adjustment Plan is accomplished through the following forums: Department Joint Committees and District Joint Committees. These forums are designed to ensure that the Union is kept informed of developments in the management of the workforce within the context of this Plan and is able to review the application of the Workforce Adjustment Plan guidelines.

Department and District Responsibilities

The Workforce Adjustment Plan guidelines are to be implemented on a department and district basis as and where appropriate, in an attempt to resolve a staff surplus problem. These guidelines have been developed jointly and include the following: controls on hiring, reclassification to Regular status, the employment of Temporary employees, the process for filling any vacant position in this bargaining unit and the utilization of voluntary measures where possible.

Management of Surplus

After fulfilling the above obligations, and prior to declaring employees surplus within an impacted entity, the Company will present employees with Voluntary Separation offers when applicable.

If there remains a surplus of Regular employees, the Company will offer the displacement procedure where applicable as set out in Attachment A of this Agreement.

Where after the application of the above-described process, surplus employees exist, they will be treated as follows.

Temporary Separation

Any surplus employee will be entitled to a lay-off with recall rights for a period of fifty-two (52) weeks with a temporary lay-off allowance as set out in Attachment B to this Agreement.

Permanent Separation

Any surplus employee will be entitled to a lump sum payment upon termination calculated as follows: 1.5 weeks X NCS X basic weekly rate. However, should the Company offer a more generous corporate separation program at the time of the surplus declaration, the corporate plan will apply.

Temporary or permanent separation lump sum payments offered to Part-time employees shall be established on a pro-rated basis.

The Company will supply monthly to the Union, lists of employees who are declared surplus by department and locality, indicating for each employee, the date of separation, the NCS date of the employee, and her original work location.

Career Transition Services

Three (3) months' access to Career Transition Services will be offered by the Company to employees whose involuntary separation is permanent and will include access to counselling, job search support and training.

General

Use in this Memorandum of Agreement of the feminine or masculine gender shall be construed as including both female and male employees, and not as specific sex designations.

It is understood that where an employee is placed into a lower-rated job as a result of the measures contemplated under this Agreement:

- move immediately to the step on the new wage schedule that grants the closest higher rate. If such rate does not exist, move to top step. The employee will benefit from wage protection (for clarity, the employee's rate of pay prior to the downgrade) for the duration of twelve (12) months.
- after this period, she shall immediately be paid the basic rate of pay for that job.

With the exception of the provisions found in Attachments A and B of this Agreement, the parties agree that any difference regarding the interpretation or administration of this Agreement shall be dealt with by the appropriate forums established for the involvement of the Union whose decisions shall constitute a final and binding settlement of the matter.

The parties agree that any difference regarding the interpretation or administration of the provisions set out in Attachments A and B of this Agreement may be processed in accordance with the provisions of Articles 16 and 17 of the Collective Agreement.

Duration

This agreement shall come into effect on January 22, 2026 and expire at the end of this Collective Agreement.

Subject: Employee Development and Training

Ms. Bogdanovich,

This will confirm our understanding related to Employee Development and Training resulting from participation in projects and activities, as mentioned below, reached during bargaining for the renewal of the Clerical and Associated Employees' Collective Agreement.

Employees are increasingly participating in workplace reorganization and other similar projects. They are also participating in joint committee activities established to address service, revenue, cost and employee issues.

The Company recognizes the valuable contribution which an employee can make to these activities and the skills, training and experience which the employee may gain through her participation. In the personal planning and development process, the manager and employee should ensure that the training and skills acquired by the employee as well as her contribution to these activities are appropriately noted.

Subject: Ergonomic Guidelines

Ms. Bogdanovich,

This is to confirm our understanding related to the Ergonomic Guidelines issued by the Company for employees who work with visual display terminals reached during bargaining for the renewal of the Clerical and Associated Employees' Collective Agreement.

The Corporate Health and Safety Committee has developed an Ergonomic Awareness Program that was designed to increase knowledge and promote adherence to ergonomic principles. This program is now part of Bell's Accident Prevention Process (APP).

The business units will ensure that all new employees are trained within the first two months of hiring, and that this training is recorded in the employee's APP record.

The bargaining committees are supportive of the work being done by the Corporate Health and Safety Committee in this regard.

Both employees and managers continue to share a common responsibility to adhere to the existing Ergonomic Guidelines and encourage their application in the workplace.

Subject: Planning for Paid Days Off

Ms. Bogdanovich,

This is to confirm our understanding related to a process for the planning and scheduling of paid time off reached during bargaining for the renewal of the Clerical and Associated Employees' Collective Agreement.

Implementation of the Process

Where it is determined locally, through a joint agreement between the CP4 manager and the Unifor Local President, a standardized process that provides for the planning and scheduling of days off throughout the year, will be implemented.

The days available to employees for planning and scheduling would be those acquired through provisions within the Collective Agreement, e.g. personal days off with pay, vacation in days, lieu days, days off with pay, and compensating time off.

Eligibility

Both Full-time and Part-time employees with paid days and/or compensating time off accumulated prior to the applicable scheduling period.

Scheduling Guidelines

For a minimum of 10 months within each calendar year, eligible employees will be able to select days to meet their personal needs. Full-time employees will be able to select a minimum of 10 days per year. Employees will advise their managers, during the scheduling process, of which day they will be using when they select their day off e.g. personal day off with pay, individual vacation day, lieu day, etc.

Each business unit that chooses to implement this process will determine, based on business and customer needs, which months per year will be available for employees to select within. This should not preclude normal provisions for vacation planning and scheduling over the course of the year. Business units may have different scheduling periods or restrictions on months or days available, based on force to load trends and customers' expectations.

Selection Process

The selection process for days off should be determined locally based on current scheduling practices. The maximum openings available per day for selection will be determined by each business unit and the existing procedures for schedule administration will be used as the communication tool with the employees.

It is agreed that consultation should take place between the designated Company and Unifor representatives when appropriate, to review the distribution of available days.

Ms. Bogdanovich,

This is to confirm the following:

1. When an employee is required to attend, as a respondent, an interview related to the alleged violation of the Company's Preventing Violence in the Workplace Policy, the employee shall be advised, in general terms (i.e. incident of alleged harassment), of the nature of the interview, prior to the meeting provided in paragraph 2 of this Letter of Intent.
2. A Local Union Representative shall be granted, immediately prior to the interview, a maximum of 15 minutes to confer with the employee whom he represents.
3. The Local Union Representative shall, unless the employee objects, be invited by management to attend the interview whenever an employee is interviewed, as a complainant or respondent, by a representative of the Company's Human Resources Department.
4. It is understood that the Local Union Representative shall attend the interview as observer to the process and not as participant. She shall be able to ask clarifying questions at the end of the meeting, but shall, in no way, disrupt the investigation process. During these interviews, Company and Local Union Representatives will perform their respective responsibilities in a professional and courteous manner with mutual respect for their counterparts. The main purpose of the interview is to identify the facts pertaining to the matter being investigated.

However, should there be, in the Company's opinion, disruptions to the investigation process, this Letter of Intent may be rescinded by the Company upon 30 days' notice to the Joint Labour Relations Committee.

Subject: Utilization of External Human Resources

Ms. Bogdanovich,

This is to confirm our understanding related to the Utilization of External Human Resources reached during bargaining for the renewal of the Clerical and Associated Employees' Collective Agreement.

The parties have agreed to meet periodically to exchange information and to encourage consultation between management and representatives of the Union on issues related to the utilization of external human resources and its potential implications on the functions covered by the bargaining unit.

It is the Company's policy, whenever there is a requirement:

- for specialized skills, equipment and/or professional expertise, which is not normally performed or available within the Company or not available within the time frame required;
- to handle work which could otherwise result in an uneconomical drain on skilled employees;
- to temporarily supplement or replace work or services normally provided by existing employees;
- to resort to using external human resources to perform work or provide services required to meet its commitments and responsibilities towards its customers and the public.

The Company and the Union shall work together to balance the interests of customers, the Company and employees with respect to the utilization of external human resources.

To achieve this, each quarter, or more or less frequently if the parties so agree, each CP4 manager who uses or plans to use external human resources shall meet with the Local President to discuss and review such activities and the related concerns, within the CP4 manager's organization.

Discussions between the CP4 manager and the Local President (or their delegates) should include, but are not limited to: current and forecasted volume of work and future projects;

- alternatives such as using Temporary or Part-time employees, making more efficient use of available employees, etc. prior to the utilization of external human resources;
- work which the CP4 manager expects to have performed by external human resources. Management should notify the Union as much in advance as possible of its intent to resort to external human resources;

- utilization of external human resources by the CP4 manager's organization since the last meeting;
- feedback on work which was performed by external human resources to identify possible improvements or suggest alternatives.

In addition, the CP3 and/or CP2 manager and the Unifor Representative will meet before the planned hiring of external human resources to discuss the rationale, alternatives and duration of the contract.

Finally, as previously indicated, the Bargaining Committees will review the utilization of external human resources at consultative meetings.

Subject: Vacation Committees

Ms. Bogdanovich,

This is to confirm the following:

Vacation committees should be established to facilitate employee participation in the preparation of schedules and guidelines.

Committee membership should be comprised of delegates from management, the Union, and the employees. This committee should normally begin meeting 2 to 3 months before year end.

The mandate of the committees shall be, first and foremost, to encourage the involvement of employees and the Union in the preparation of the vacation schedules, and to discuss and make recommendations, as required, on :

- (a) the preparation of the vacation calendar in the groups (either by CP2 manager, by CP3 manager, by function, by salary group, etc..) as determined by the Company, and;
- (b) the number of weeks of vacation in the summer period and/or in the prime weeks, and;
- (c) the ratio of weeks available, and;
- (d) exclusions and/or restrictions.

The Company must justify any exclusion or restriction included in the vacation calendar and should only apply embargos in extreme cases.

As much as vacation calendars are ultimately established by the Company based on business and service needs, the Company must take into account the interests, the comments and suggestions of the members of the vacation committees before submitting the vacation calendars to employees.

It is understood that any differences concerning this letter may be brought to the joint Labour Relations committee for discussion and resolution.

The Variable Pay Incentive Plan (VPIP) shall apply to all Client Representatives who are on queue and have sales and revenue objectives. The Plan aims to recognize individual contribution to objectives such as sales, revenues, quality and productivity. The Plan features a motivational incentive to meet and exceed objectives.

Local Variable Incentive committees, which include representatives from the Union and the Company, will be established and maintained for the duration of the Collective Agreement as a forum for consultation on issues regarding the Variable Pay Bonus Plan. The committees will meet at regular intervals to ensure a continuous follow-up and, if applicable, make recommendations on evolving the plan

The potential earning opportunity is 12% for the month of December 2025 and 10.50% of base pay at target starting January 2026 that will be paid as a bonus if target objectives are achieved.
