New Business

Wendy Barnett

Never received emails for this meeting.

William Reid said she will pass this off to Michelle Vatafu

[unifor6008@unifor6008.com](mailto:unifor6008@unifor6008.com) was considered emails in bad faith.

Michelle Vatafu sent several meetings out. I have asked all email addresses to be added to your contacts. Hotmail, G-mail and Simpatico are the worst offenders for blocking our emails. Also, we do have social media, which you had brought up at past General Membership Meetings, that all our communications are shared on Facebook, Instagram, soon as the emails are sent out. Jodi Bradshaw confirmed within minutes that all items are listed right away. William Reid said that Unifor told us to have our membership to register within. Michelle Vatafu asked Wendy Barnett to provide the names

of the members and I can ensure that all emails have been sent. I am able to see where the email was sent and when their provider stated it went into your email. Then it is up to you to deal with your provider.

Debra Howard

Wanted to just say she was very grateful to be able to work with them. Debra Howard will be trying to get a retiree committee

Michelle Vatafu

Whenever info is sent in email, it is also put onto our website. Please look at our website on-going basis. Rob Malaganes. He would like to have a donation for \$100 for one of his children for rep volleyball. Our local can at each meeting vote on him receiving the \$100.
